**Blue Hat Interactive Entertainment Technology to Launch “Talking Tom and Friends” Bouncing Bubble in China**

XIAMEN, China, Nov. 12, 2019 /PRNewswire/ -- Blue Hat Interactive Entertainment Technology (“Blue Hat” or the “Company”) (NASDAQ: BHAT), a producer, developer and operator of augmented reality (“AR”) interactive entertainment games and toys in China, today announced the launch of a new collection of its popular “Bouncing Bubble” range of toys in China, in partnership with media franchise “Talking Tom and Friends”.

Bouncing Bubble is a product designed using environmentally friendly and toxic-free liquid allowing for large, strong bubbles that are not expected to easily pop. Children can bounce these bubbles using a paddle or gloves, as if they were ping pong balls, for an extra level of fun than can be provided by conventional bubble products.

The new “Talking Tom and Friends” Bouncing Bubble product range features images of characters from the “Talking Tom and Friends” universe on both the products themselves and the design of their packaging. Blue Hat believes that the new product line will allow its Bouncing Bubble products to find a new audience among children in China who are fans of the globally renowned “Talking Tom and Friends” media franchise.

“Award-winning media franchise ‘Talking Tom and Friends’ is beloved across the world for its cute characters and instantly recognizable visual identity,” said Mr. Xiaodong Chen, Chief Executive Officer of Blue Hat. “Blue Hat’s partnership with ‘Talking Tom and Friends’ promises to attract a greater number of children to our innovative ‘Bouncing Bubble’ product, which allows them to play with bubbles that last longer and are larger than conventional bubbles, and are free from harmful chemicals. We look forward to introducing elements of the ‘Talking Tom and Friends’ franchise to other product lines from across our broad portfolio of cutting-edge toys and games.”

More information about Blue Hat’s product portfolio, including “Talking Tom and Friends” Bouncing Bubble, can be found on Blue Hat’s IR website product page.
